

Association of Specialized and Professional Accreditors

Fall e-Conference - September 14-15, 2020

There's still time to register for the ASPA Fall e-Conference! Our program will address challenges and solutions related to accreditation effectiveness:

- **Governance and operations** - identifying and delineating the roles of accreditation staff and Board/Council members,
- **Staff development** - retaining talented individuals, engaging them in the work of accreditation, and building an institutional memory,
- **Strategic planning** - enhancing the growth and development of the organization while supporting its mission and goals, and
- **Risk reduction/management** - key considerations when engaging IT vendors and implementing services.

Additional sessions include a presentation by the **US Department of Education** and **students and faculty** will share their perspectives on converting from an in-person experience to remote learning.

And - two accreditation champions will be presented the **ASPA Award for Distinguished Contributions to Accreditation**.

Registration: \$150 for ASPA members, \$200 for non-members.
