

## Association of Specialized and Professional Accreditors

### Spring e-Conference - March 29-30, 2021 - Registration is open!

ASPA conferences are all about sharing good accreditation practices and supporting specialized and professional accreditors in their work. The Spring 2021 e-Conference will include sessions to:

- bring attendees up-to-date on the landscape in higher education and accreditation,
- discuss practices for interim reports - data collection and quality improvement,
- examine the use of student achievement indicators,
- talk about accreditor self-evaluation, and
- compare how accreditors respond to and support program applications.

Sessions will be recorded and available for review after the conference. We look forward to e-seeing you!

Registration: \$150 for ASPA members, \$200 for non-members. Make sure to take advantage of group registration discounts!

## About ASPA

The Association of Specialized and Professional Accreditors provides a collaborative forum and a collective voice for the community of 61 member accreditors that assess the quality of programmatic education in colleges and universities in the U.S. We are the only organization that promotes the importance of specialized and professional accreditation.
